INTRODUCTION

WELCOME

Welcome to Alpha College of Australia. This handbook provides you with everything you need to know about studying with us in Australia. By choosing us as your education provider, you are choosing a high-quality and industry relevant course and education provider to ensure you are set up for the future.

ABOUT US

Located in Sydney CBD, Alpha College of Australia provides courses in the areas of Business and Civil Construction Design. With well-located and comfortable facilities for students, industry current trainers and assessors along with modern equipment and resources, Alpha College of Australia is a wise choice for your learning and future.

Alpha College of Australia is a provider of vocational education and training (or VET as it is commonly known). The VET sector in Australia is based on a partnership between governments and industry. VET qualifications are provided by government institutions, called Technical and Further Education (TAFE) institutions, as well as private institutions.

We are a private institution. VET courses broaden your skills in specialised areas and are competency based. This means that you are either Competent, or Not Competent, and if you achieve competence for all your units that make up a qualification then you can be awarded with your qualification certificate. To read further about vocational education and to see the various certificate levels which make up the framework, follow the link: <https://www.studyaustralia.gov.au/en/plan-your-studies/vocational-education-and-training>.

OUR FACILITIES

We are specialised in the education of students under Civil Engineering and Business & Management. We boast modern and spacious classrooms equipped with projectors and whiteboards to enhance the learning experience of students. The availability of Wi-Fi connection allows students to access online learning resources and research materials easily.

Additionally, Alpha College of Australia provides learners with a learner management system loaded with all learning and assessment materials sourced from industry-leading course material providers. This system helps students to track their progress and access learning materials anytime, anywhere. We also provides timetables, which allow students to plan their study schedules effectively.

Alpha College of Australia has a large kitchen and dining area equipped with fridges and microwaves, allowing students to prepare and store their meals.

OUR OBLIGATION TO YOU

As a Registered Training Organisation (RTO) and CRICOS Education Provider registered with Australian Skills Quality Authority (ASQA), we have an obligation to ensure the quality of the nationally recognised training and assessment we deliver. We must comply at all times with the Outcome Standards for RTOs, which are part of the VET Quality Framework, as well as the Education Services for Overseas Students Act 2000 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code).

We take this seriously, so we have developed policies and procedures along with systems within our business to make sure we comply with the standards and legislation. As we are responsible, this means that we take responsibility for any third parties we may work with – this includes training partners, education agents and sales/marketing providers. We participate in audits with the regulator (ASQA) and must provide them with information when they request it.

We are also required to issue you with your Australian Qualification Framework (AQF) certification documents once you have been found competent. If you feel in any way that we are not living up to our obligations, you have the right to make a complaint. Please see the 'Complaints and Appeals' section of this handbook for information on how to do so.

VISAS AND CONDITIONS

After you have successfully completed the application and enrolment process, you will be issued with a Confirmation of Enrolment (CoE). Once you have this, you can apply to the Department of Home Affairs for a student visa. You may choose to use a Registered Migration Agent or may choose to complete it yourself.

More information about how to apply for a visa can be accessed here:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study>

Once you have received your visa, you must abide by its conditions. If you don't, you can be sent home and won't be able to finish your course. Conditions include (but are not limited to):

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your course.
- Only work if you have been given permission to do so as part of your visa grant (and not work more than the stipulated number of hours).
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia.
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE you received.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

WHAT IS A USI AND WHY DO I NEED ONE?

USI is the acronym for Unique Student Identifier. It is a reference number that creates an online record of your training and qualifications attained in Australia. If you don't have a USI, then you can't be awarded your qualification or statement of attainment.

Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must provide us with your USI. For information about USIs including how to create one visit <https://www.usi.gov.au/>.

For information on exemptions visit: <https://www.usi.gov.au/exemptions>.

If you are having trouble creating a USI, we will assist you during the orientation session on the first day.

EDUCATION AGENTS

Alpha College of Australia uses education agents to assist us to recruit students. We have written agreements in place to ensure ethical practices as we hold our responsibility to our students, the sector and reputation of the VET industry in Australia very seriously. A list of approved education agents can be found on our website at: [Agent Lists](#)

RPL AND CREDIT TRANSFER

Credit transfer is a formal recognition of previous studies and can help to reduce the duration of your course, as well as fees. You may apply for a credit transfer for a complete unit or modules within a unit. There is no charge to apply for a credit transfer but you need to let us know that you want to apply for this on your application for enrolment form in the relevant section. You will need to provide a certified copy of your certificate either issued by another education provider or an authenticated VET transcript issued by the USI Registrar.

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised. You need to let us know that you want to apply for RPL at the time of application by indicating this on the application for enrolment form in the relevant section. There is a charge for RPL and this can be viewed in the 'Fees and Refunds' section of this handbook. RPL can also reduce your course duration and fees.

We will inform you in writing of any reduced course duration and fees due to credit transfer and RPL and issue your CoE for the reduced duration of the course.

Please note that although we are required to offer you RPL, it would not be expected as an international student that you would pursue this opportunity as most likely you would not have relevant workplace experience and existing skills and knowledge.

COURSE ORIENTATION

Before the commencement of your course, we will deliver an orientation session to you which includes an induction session. It's vital that you attend this as we will cover the following topics:

- Course information.
- Facilities and resources available at our campus.
- Emergency evacuation procedures.
- Your rights and responsibilities as a student.
- Support services available.
- Legal, emergency and health services.
- Safety relevant to Australia and your environment.
- Critical incidents and critical incident reporting.
- Policies about course progress, attendance monitoring, deferral, suspension and cancellation, course transfer and our complaints and appeals process.
- Student visa conditions related to course progress and attendance.
- Information about work rights.
- Question and answer session.
- Assistance in creating your USI if you have not done so already.

WHAT CAN I EXPECT DURING TRAINING AND ASSESSMENT?

Vocational training and assessment is all about practical and competency-based learning and assessment that is relevant to industry and our modern world.

You will learn in the classroom and/or the practical work environment where the industry conditions are simulated to prepare you for your chosen field. You are required to undertake a range of assessment activities dependent on the course you are undertaking.

Your assessment tasks will either be marked as Satisfactory or Not Satisfactory and achievement of a Satisfactory result for all assessment tasks within a unit of competency results in a mark of Competent for that unit. Once you have received a mark of Competent for all units that make up the qualification– you will be eligible to be awarded your qualification.

REASSESSMENT ARRANGEMENTS

Arrangements for reassessment will be arranged with you directly with your trainer/assessor if, and as, necessary. You are entitled to two attempts at each assessment task and if you exhaust both attempts, then you will be required to pay an additional cost for re-assessment as outlined in the 'Fees and Refunds' information and this will also be outlined in your *Student Agreement* signed at enrolment. Please refer to the 'Fees and Refunds' section for more information.

We can't guarantee that you will be awarded your qualification as this is dependent on you and the work you put into your course. We will provide you with all the necessary facilities, equipment, trainers and support to complete the qualification – but the outcome of it depends on you. We also can't guarantee that you will find work in your chosen field, as this depends on factors beyond our control – but what we can guarantee is that we will provide you with consistent training and an industry-relevant course with the support and guidance from a fantastic team of dedicated trainers who care about your individual progress. Each student matters to us – and your positive outcome and successes are successes of our college community also.

ACADEMIC INTEGRITY

Artificial Intelligence (AI) and Large Language Models (LLMs) are increasingly being used in the workplace and educational facilities.

Alpha College of Australia expects that all content generated in the course of undertaking studies with us will be your own original work.

Any use of AI will be for assistive purposes only, not to create substantive content for assessment.

Alpha College of Australia has a plagiarism policy which sets out expectations regarding academic integrity and the methods we use to detect AI and LLMs in student assessments.

The plagiarism policy also covers our stance on cheating, collusion and other forms of plagiarism.

Usage of text directly from AI or LLMs is plagiarism and is treated as such.

Alpha College of Australia provides students with further information about academic integrity during orientation and your trainer and assessor will also discuss this with you in class.

SUPPORT AND WELFARE

We all need a little extra support sometimes and when you are living and studying overseas – you may need a little bit more than you normally would. We are here to help you – so don't ever be shy to let us know what you are going through and how we can help.

We offer the following in relation to support and welfare:

- One-to-one support from the trainer/assessor.
- Support with personal issues.
- Access to additional learning resources.
- Reasonable adjustment in assessment.
- Social events.
- Buddy program.
- Information about external sources of support.

You may not have studied for a while, may have English as a second language or need additional assistance with literacy or numeracy. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.

We have a range of information we can provide you with on a variety of issues – this may be related to accommodation, legal or financial issues, cultural considerations, disability support, stress management – or maybe you are experiencing a bout of homesickness. If you are experiencing it – then we are concerned about it. Please communicate with us because we care. We don't charge for internal services but you will be responsible for any external provider costs at the time you access the services. We can assist you to find local groups of like-minded people in the area, connect you with other students with similar interest groups or simply be a friendly listening ear when you need one.

Depending on your needs, we will provide you with a referral to the relevant local organisation and assist you to access services from them.

Some support services are listed in our 'Important information about Australia' section of this handbook – but it's best to come and speak to the Administration and Student Support Officer where you can have a confidential discussion and get the right type of service / support for your need or concern.

ISSUING CERTIFICATES

Once you have been found competent in all units you are enrolled in that make up your qualification and have paid all your relevant fees – we will issue you with your qualification and record of results within 30 days. If you withdraw, meaning that you only partially complete your course, then you will be issued with a Statement of Attainment (SoA) within 30 days of withdrawal for all the relevant units that you have completed as competent. We reserve the right to withhold the issuance of any certificates until all fees have been paid, except where we are not permitted to do so by law. We cannot issue your certificates if we do not have your USI on file, which is why we ensure upfront that you have created one, and assist you to do so at the time of orientation if you have not created one prior to this.

REISSUING CERTIFICATION DOCUMENTS

We are required by law to keep records of your qualification and units achieved for at least thirty (30) years. If you lose your statements or qualification, we can re-issue these to you for an additional charge. Refer to our 'Fees and Refunds' section for more information.

IF YOUR DETAILS CHANGE...

From time to time your personal details may change. You might get a new mobile phone number, change your address or emergency contact details. It's actually a condition of your visa to notify us within 7 days if your address changes.

If you ever notice that something isn't right with some of your personal information or our records – please let us know so we can amend your records and correct it.

PROVIDING FEEDBACK

Alpha College of Australia values your thoughts and experiences. Providing feedback helps us understand what we're doing well and where we can improve. Your input plays an important role in helping us create a positive, inclusive, and high-quality learning environment for all students.

Feedback is any comment, suggestion, or idea you have about your experience with us - whether it's about the course content, facilities, support services, communication, or anything else. Feedback can be positive or constructive and helps us grow and improve.

Feedback is different to a complaint or appeal as it is more informal and often general, while complaints and appeals follow formal processes.

You can provide feedback at any time by:

- completing a feedback form available on our website or through reception.
- speaking directly with your trainer or student support staff.
- sending us an email at admission@alpha.edu.au
- using the suggestion box located at reception

Your feedback will be reviewed and, where appropriate, actions will be taken to improve services, processes, or the learning environment. Where changes are made because of your feedback, we aim to communicate those improvements to students, so you know your voice makes a difference.

If your feedback raises issues that require follow-up, we may contact you.

We appreciate your input and encourage you to share your thoughts—no matter how big or small. Together, we can make your learning experience even better.

Please note that you will also be provided with a Quality Indicator Survey which is issued by the National Centre for Vocation Education and Research (NCVER). You may also receive surveys from your trainer or the office from time to time. Please complete these and return as advised.

COMPASSIONATE OR COMPELLING CIRCUMSTANCES

You will find that many of our policies refer to compassionate and compelling circumstances so it is important to understand this term.

Compassionate and compelling circumstances are personal circumstances that:

- are involuntary and outside your control, for example, medical, family, wellbeing, or enrolment circumstances, and
- present you with limited or no choice.

COURSE PROGRESS AND MONITORING

In order to maintain satisfactory course progress and attendance you must:

- attend all of your classes, with a minimum attendance of 80% expected
- satisfactorily complete all of your assessments
- actively participate in classes.

Your course progress will be monitored to make sure you are completing all of your assessments and actively participating in learning.

Your attendance will be recorded at the start and end of each class you attend and your attendance rate will be calculated weekly. Please note you cannot be absent for more than 5 consecutive days without approval for a leave of absence. If you are absent we will contact you via SMS, phone calls and emails.

We may assess that you are at risk of unsatisfactory course progress and/or attendance if you:

- have an overall result of Not Yet Competent result for a unit
- do not attend classes on a regular basis
- do not participate in learning activities within the classroom.

An exception may be made where you are attending at least 70% of the course contact hours and is maintaining satisfactory progress.

In this case we will contact you in writing and issue you with a First Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to agree on a plan to address this (an Intervention Strategy).

If following the First Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Second Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to possibly adjust the Intervention Strategy agreed on.

If following the Second Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Notice of Intention to Report for Unsatisfactory Course Progress/Attendance including the reasons for the notice. This will mean you may be reported to the Department of Home Affairs with the risk of your visa being cancelled. You may appeal this decision (see section on complaints and appeals) but you must do so within 20 days of receiving the notice.

We will only report unsatisfactory course progress or unsatisfactory course attendance if:

- the internal and external complaints processes have been completed and the decision or recommendation supports our original decision; or
- you do not appeal the decision within the 20-working day period; or
- you do not access an external complaints and appeals process; or
- you withdraw from the internal or external appeals processes by notifying us in writing.

Please note that extensions to your course duration specified on the CoE will be allowed:

- if you can provide evidence of compassionate or compelling circumstances
- where you are participating in or about to participate in an intervention strategy because you are at risk of not meeting course progress or attendance requirements.

TRANSFERRING COURSES

If you wish to transfer to another RTO or university within the first six months of your main course of study, you will need to apply for release from Alpha College of Australia. If you wish to transfer after six months you do not need permission for release (although you will still need to complete a withdrawal form – see the section on deferral, suspension and cancellation).

For your application, the RTO or university you wish to transfer to must be registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). It is important to check this which you can do using the [CRICOS course and institution search](#).

Alpha College of Australia will approve your request for transfer if:

- the course is academically unsuitable for you because you are not able to achieve satisfactory course progress at the level you are studying despite participating in an agreed Intervention Strategy
- you can prove that you need the transfer because of compassionate or compelling circumstances
- the course outlined in your Student Agreement has not been delivered
- you provide evidence that your reasonable expectations about the course are not being met

- you provide evidence of being misled by Alpha College of Australia, or by an education or migration agent, regarding the Alpha College of Australia or the course, and the course is therefore unsuitable.

Alpha College of Australia will not approve your request if:

- you do not provide satisfactory evidence of compassionate or compelling circumstances
- you cannot show that you have been participating in the agreed Intervention Strategy in order to achieve satisfactory course progress
- you have unpaid course fees for the current study period
- the transfer would put your progression through a package of courses at risk
- you require access to particular support services that have not yet been provided or offered to you.

HOW TO APPLY

If you wish to apply to transfer to another registered provider prior to completing six months your main course, you must complete a Withdrawal Form and attach a copy of the offer from the other RTO or university. The Withdrawal Form will require you to include a statement of your reasons for seeking release.

You will receive a notice advising you of the outcome within 10 working days of receipt of the form and valid enrolment offer. Where the request is granted, a Letter of Release will be provided to you. It is important for you to contact the DHA to seek advice on whether a new student visa is required. All refunds associated with course transfer will be in accordance with our Fees and Refunds policy.

APPEALING THE DECISION

If your application is unsuccessful, you will be advised in writing and you can access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

We will not finalise the refusal until the appeal process is complete and either finds in our favour or until the 20-working day period in which you can access the complaints and appeals process has passed.

TRANSFERRING COURSES WITH ALPHA COLLEGE OF AUSTRALIA

Alpha College of Australia offers students the options to transfer to other courses within Alpha College of Australia.

Alpha College of Australia *will* approve your request for transfer if you can show that:

- the course better meets your study capabilities and/or long-term goals

- you provide evidence that your reasonable expectations about the course are not being met.

Alpha College of Australia *will not* approve your request if:

- the transfer would put your progression through a package of courses at risk
- you require access to particular support services that have not yet been provided or offered to you
- there is evidence that you are trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements
- you have unpaid course fees for the current study period.

HOW TO APPLY

If you wish to apply to transfer to another course, you must complete an Internal Course Transfer Form. The form will require you to include a statement of your reasons for seeking release.

You will receive a notice advising you of the outcome within 10 working days of receipt of the form. Where the request is granted, a new CoE will be provided to you. It is important for you to contact the DHA to seek advice on whether a new student visa is required.

It is also important to check whether any additional fees will be required to be paid.

APPEALING THE DECISION

If your application for internal transfer is unsuccessful, you will be advised in writing and you can access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

STUDENTS WHO ARE STUDYING A PRINCIPAL COURSE WITH ANOTHER PROVIDER

In certain situations, international students in Australia holding a student visa can pursue extra courses alongside their main study program. If a student decides to take courses at Alpha College of Australia alongside their primary study program from another CRICOS-registered provider, several conditions must maintain satisfactory attendance and course progress requirements in both courses.

Alpha College of Australia will not admit students for concurrent study within their first six months of their principal course.

DISCONTINUING YOUR STUDIES

You may decide that study is not for you and choose to discontinue your studies. Before you make a final decision, however, it's a good idea to talk to us to help you to make an informed decision.

If you no longer wish to continue with your studies with us, then you must complete a Withdrawal Form. Make sure you carefully read the Fees and Refunds information so that you know how your decision affects your fees. Usually once you have commenced a study period (term) you won't be able to get a refund.

SUSPENDING OR CANCELLING YOUR ENROLMENT

It is important to understand that your enrolment may be cancelled or suspended by us in a range of circumstances:

- Misbehaviour (i.e., not abiding by the Student Code of Conduct as outlined in this Handbook).
- Not paying your course fees.
- Not making satisfactory course progress or attending classes as set out in this Handbook.

Where any of the above circumstances apply you will be contacting in writing to inform you of the intended suspension or cancellation and the reasons for this.

You will be given the opportunity to access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

We will report you to until the internal appeal process is complete, unless your health and wellbeing or that of others could be at risk.

It is important for you to contact the DHA to seek advice on your student visa.
